

It is hoped that, prior to an application, parents and son/daughter will visit the school either on an Open Day or by appointment. On this or another occasion parent/guardian and son/daughter will meet the Principal, Head of Senior School or the Head of Junior School as appropriate.

For entry at any age an application form must be completed and returned.

Junior School (3-11)

Pupils are assessed individually over a day spent in school alongside children of the same age. Short tests in Mathematics and English may be set. For the main part children will be involved in general class activities.

Senior School (11-18)

Pupils for entry at 11+, 12+, 13+ (other than preparatory school entrants) are invited for assessment (written Mathematics and English papers) and interview from October of the year preceding entry. Offers are usually made within two weeks of assessment. Early application is advised.

Pupils from preparatory schools will normally take the Common Entrance examination in the year of entry to Ewell Castle. A pre-test for entry in September 2013 is scheduled for Tuesday 24th January 2012; candidates will also be interviewed. Provisional offers for September 2013 are made at this stage and confirmed in October 2012. For any subsequent applications, offer will be subject to availability of places.

Pupils applying to enter at other stages prior to the Sixth Form will be interviewed and may be required to undertake written assessments.

All those applying for entry to the Sixth Form (16-18) will be interviewed, with any place offered being conditional upon GCSE (or equivalent) grades achieved in the public examinations.

Once an application has been received it is normal practice, at all age levels, to request a report from the applicant's current Head Teacher. Parents/Guardians are requested to ensure that the Head Teacher is aware of the application.

The result of all assessments/applications will be confirmed in writing.

A deposit is payable on acceptance of a place, refundable at the end of a pupil's education at the school. The deposit is not refundable in the event of a pupil, having accepted a place, not joining the school.

Scholarships & Aided Places

16+ Scholarships

Aided Places

A significant number of Aided Places (Bursaries) are awarded, in line with the School's policy on Public Benefit. Ewell Castle seeks to offer means-tested awards for children who may not otherwise be able to afford the full fees. Bursaries are offered for the duration that a pupil remains at the school, subject only to financial circumstances remaining unchanged; an annual review is undertaken.

Pupils must satisfy academic entry requirements to be considered for such an award. Parents are required to submit a confidential statement of financial circumstances, which will enable the school to determine the appropriate level of parental contribution.

Applications for scholarships and aided places should be made before Friday 13th January 2012 (11+ and 16+) and Friday 11th November 2011 (13+) for awards for the following September. Application forms are available from the Registrar. Awards considered thereafter are subject to funds available at the time.
