Selected successes include:

Christopher joined the school from a local state school at the age of 11. Amongst his achievements he will rightly refer to the fact that he was a national archery champion and was involved regularly in drama productions. He also achieved twelve GCSE awards at A* or A grade

Richard joined us from a local preparatory school into Year 9. He is a fine sportsman, representing the school at 1st team level at rugby football, soccer and cricket. Richard also works hard to overcome difficulties caused by his dyslexia. A measure of his success was the seven GCSE awards achieved at grade B or better. Richard was permitted extra time in his examinations and made use of a lap top computer.

Results in the course subjects at Key Stage 2 (age 11 years) in 2011 can be summarised as follows:

Level	4 or higher	5 or higher
Subject		
Mathematics	81%	38%
English	91%	38%

Level 4 represents achievement at the nationally expected standard for most 11 year olds.
