Performing Arts Fundraising Winter Ball

13th January 2018

Glenmore House, 6 The Crescent, Surbiton, Surrey KT6 4BN

A message from Peter Harris, Principal

This September, we launched the Performing Arts Academy at Ewell Castle School. The aim of the academy is to offer Sixth Form students timetabled training in all three of the core disciplines of Dance, Drama and Music and students will be given the opportunity to experience professional performance platforms.

Money raised from this fundraising Winter Ball will go towards developing the Performing Arts Academy and in particular the funding of a multi-purpose sprung floor for the Castle Hall, which both senior and preparatory school pupils will have access to. Thank you for your support and generosity.

A message from Benjamin Essenhig, Director of Performing Arts

This time last year the Music Pavilion had not yet been finished and we were about to hold our inaugural fundraising Winter Ball. The building has now been in use for close to a year and it was officially opened by Mercury Award winning musician, songwriter, performer and former Ewell Castle School pupil Sampha Sisay on the 24th November 2017. Thank you to everyone who supported the fundraising campaign either by making a direct donation, by buying tickets to the fundraising Winter Ball and or raffle etc.

The performing arts continue to go from strength to strength at the School and having staged Oliver! and Bugsy Malone at the Epsom Playhouse over the last couple of years, we're excited to be in rehearsals for Guys and Dolls at the Epsom Playhouse on the 21st and 22nd March 2018. I wanted to take this opportunity to thank parents for their ongoing support of the performing arts at the School, whether this be drama, music or dance and parental encouragement and support is very much appreciated. All money raised from this fundraising performing arts Winter Ball will go towards the purchase of a sprung floor, which will be used not only by students involved in the Performing Arts Academy but pupils throughout the School will be able to benefit from it. Thank you.

A message from the Ball Committee

On behalf of the Performing Arts fundraising Winter Ball Committee, we would like to welcome you to the Performing Arts Winter Ball. We would like to thank all our sponsors, donors, those who have contributed raffle prizes and auction items and you for coming along this evening. The raffle will be drawn after dinner and prize winners will be notified on an announcement board in the bar area.

This auction catalogue sets out the lots included in the Live and Silent Auctions and we have included a short description of the prizes herein.

The Live Auction will be expertly managed by Ewell Castle School's very own Director of Performing Arts, Benjamin Essenhigh and the Silent Auction will be run by Carol Hernandez, Sarah Graves and Tracey Wilkins.

We hope that you will take this opportunity to pledge your support in the Live and Silent Auctions. Please note that there will not be any credit card facilities at the venue, only cheques will be accepted, or if you have forgotten your cheque book, we will accept written pledges. If you wish to bid on an item in the Silent Auction, please make use of the cards on your table and a member of the Ball Committee will collect them from your table shortly before the Live Auction.
