## **NOTES TO CANDIDATES:**

### **Drama Scholarship requirements**

All candidates applying for a Drama Acting Scholarship will be required to deliver the following at audition:

- One modern monologue (1-2 minutes in length) from a full-length published play written after 1960
- One Shakespearean monologue (1-2 minutes in length)

**Please note that poems or extracts from novels are not suitable audition pieces. When you submit this form, please can you provide the title for the two audition pieces for approval.**

Candidates should know the pieces off by heart and have knowledge of both plays and the characters they are playing. The audition will last approximately twenty minutes. Please be aware that candidates may be asked to re-do the pieces in a different style.

There will be a further opportunity to discuss the opportunities offered by the Drama Department at Ewell Castle School, and indeed to recognise the expectations that we would have of a Drama Scholar.

Applicants should make the assessors aware of other skills they have that may support their Drama Scholarship, e.g. sound/lighting skills and singing.

If you are applying for a Drama Technical Scholarship, then a portfolio displaying your technical involvement in productions must be submitted by the specified date and you will be required to talk about your submitted portfolio in detail on the scholarship testing day. You may also be asked about technical aspects of theatre on the day.

### **Scholarship Testing Date**

Assessments for Drama Scholarships will take place on **Thursday 23<sup>rd</sup> November 2023**.

### **References and Testimonials**

If you wish to include references or testimonials in support of your application, please send them with your application. We regret that it will not be possible for the School to contact referees to request a reference.
