## BAGS

All pupils must have a named Ewell Castle School backpack (from Reception upwards) to carry their belongings to and from school and a named Ewell Castle book bag.

All pupils from Reception upwards also need a drawstring bag for swimming and day trips.

All these are available from School Blazer.

Children who join Ewell Castle School as new pupils in 2023 will be expected to buy the new uniform items from *School Blazer*. There will be a staggered start for each year group across the School for transitioning to the new supplier. The matrix grid below shows which groups will adopt the new uniform and by which date. The thinking behind this is that currently owned items should get the best wear possible before they become obsolete. It would be counter-productive for everyone if parents felt they were having to buy new items from *School Blazer* before they had got proper value from their current items.

## COATS

All pupils should have a **plain navy cagoule/coat with a hood in school at all times** for wet break and for travelling to and from lunch/PE/Games.

**Please ensure all items of uniform and kit are clearly and permanently marked with the child's name, preferably with a sewn in nametape. It is easier to re-unite clothing with the owner if belongings are clearly named.**

## HAIRSTYLE AND JEWELLERY

Hairstyles should be neat for all children whether long or short. If a child wishes to wear their hair in a longer style, and is longer than collar length please ensure the hair is out of the eyes and tied back with a plain **blue or black hair band**.

If head lice are found, please inform the form teacher so that we can advise other parents/guardians.

Children with pierced ears may wear one pair of small stud earrings only, but these will need to be removed for sport. Nail polish and jewellery are not permitted; however, a small, named, inexpensive wristwatch is permissible. No smart watches, including Apple watches or fitness trackers are allowed at School.

## EWELL CASTLE PREPARATORY SCHOOL UNIFORM LIST

School uniform and sports kit should be purchased from School Blazer, [www.schoolblazer.com](http://www.schoolblazer.com), apart from those items which are marked OS (Other suppliers).

Students are expected to be smartly dressed in uniform whilst travelling to and from School, and whilst at School. Students should remember that they not only represent the School, but also themselves and their families.
