

Ewell Castle Preparatory School

NURSERY & RECEPTION FEES 2020/21

Ewell Castle School is a registered provider for the Universal Entitlement of 15 hours' childcare provision for three and four year olds. To be eligible children need to be aged 3 and 4 at the start of each term (1st September, 1st January and 1st April). We do not currently offer the additional means-tested 15 hours.

Those attending a morning session will qualify for 3 hours' funding while a full day will qualify for 5 hours' entitlement. The hours outside these funded sessions (and anything in excess of the 15 hours) will be charged for as shown below.

In the Nursery, we can offer a combination of sessions, to be taken by arrangement with the Nursery Manager/Head of Preparatory School. We require a minimum of 3 mornings in the first term, with the expectation that the number of sessions will increase term on term; this will need to incorporate at least 2 full days in the final term in Nursery. The resultant termly charges for 2020/21 are as follows:-

For those eligible for free entitlement the cost of the excess hours per term is :-

		No. of mornings per wk					
		0	1	2	3	4	5
No. of days per wk	0			£367	£551	£734	£918
	1		£517	£701	£884	£1,176	
	2	£668	£851	£1,088	£1,433		
	3	£1,001	£1,346	£1,691			
	4	£1,604	£1,949				
	5	£2,207					

The fees for pupils who do not qualify for free entitlement (children under 3) are as follows:-

	No. of sessions per week				
	1	2	3	4	5
Full days	£603	£1,206	£1,809	£2,412	£3,014
