

## Ewell Castle School Cricket Academy

The Ewell Castle high performance Cricket Academy has been designed to allow boys and girls to combine intensive cricket training and academic education within an integrated curriculum.

Leading Independent Day School, Ewell Castle is committed to 'achieving each child's potential' in every aspect of their life. The launch of the Ewell Castle Cricket Academy follows the success of the recently launched Tennis Academy, with other sports to follow. We are situated within a 15 acre site, with a picturesque cricket ground, indoor and outdoor nets and a large sports hall with fitness facilities and a classroom dedicated to Performance Analysis. We are committed to delivering first-class coaching, training and playing opportunities within a safe environment and to 'achieving each child's potential.'

### Cricket Academy Programme

- One-to-one professional coaching
- Weekly Academy group sessions
- Personalised strength & conditioning training
- Video analysis of performance
- Player development feedback
- A flexible academic timetable for each pupil
- Performance and lifestyle mentoring
- Weekly Games afternoon lessons
- Academy fixtures
- Pre-school ECSports Academy fitness sessions
- ECSports Academy breakfast

### Our Tailored Academic Programme

Pupils will be full members of the School community and follow the core subjects, but will have the flexibility to tailor their studies around their cricket training. Each Academy scholar will have a personalised timetable.

### Head of Cricket

The Ewell Castle high performance Cricket Academy is managed by former Sussex County Cricket Club player Neil Turk. Neil graduated through the Youth System at Sussex and was a professional cricketer before joining Ewell Castle School. Neil has extensive knowledge of the game and has worked with international coaches and players throughout his career.
