

## PROVISION OF EWELL CASTLE SCHOOL LUNCHES (and Breakfast Service for Senior School pupils only)

Ewell Castle work with Accent Catering to ensure that pupils have a wide choice of healthy, nutritional meals at lunchtime and introduce them to a variety of new flavours. All the food is fresh and where possible cooked from scratch and we do our best to ensure it is locally sourced. In addition to the main hot meal each day, we also offer a vegetarian option, salad bar, pasta, baked potatoes, soup, bread and sandwiches. For dessert, fruit and yoghurts are always available as alternatives to the homemade puddings. Filtered mains water is available for all, including those who bring packed lunches. Further information regarding Accent Catering and menus can be found under the 'information' tab on the School website.

The food prepared by the kitchen is **'nut free'** as we have a number of students who exhibit varying levels of allergic reaction to nuts and we would ask that if you provide packed lunches for your children these too **do not contain nuts**.

From September 2018, pupils will either be able to have a contract lunch for the term or will have to bring in a packed lunch. We will not be offering a pay-as-you-go system for lunch, however, it will be available for breakfast and the Sixth Form café.

The charge for the autumn term as a Contract Diner is **£235** and payment should be made via ParentPay **prior to the first day of term** in order that the till system can be programmed in advance. If you have any problems with your ParentPay account please contact the Finance Office on 020 8394 3564 or email **finance@ewellcastle.co.uk**. Do not forget to register your lunch choices on the Parent Portal if your child is at Chessington Lodge.

The canteen is also open to all Senior School pupils between 7:50am and 8.25am for a breakfast service, which is paid for using funds deposited on the Parentpay **'Breakfast/cafe float'**. The Sixth Form have access to the cafe at morning break. Please note that purchases will be **refused if there are insufficient funds deposited on your child's float**.

The smart till system allows you to monitor your child's eating habits through its link with ParentPay. Just log on to ParentPay and click **'view menus & choices'** under the Lunch meal activity section.

If you have any feedback regarding the lunch, provision please let us know as we are always trying to improve the service on offer.

Yours faithfully

*Janet Abraham*
